

Private lessons (CP)

This course is designed for adults who wish to learn or improve their French for personal or professional reasons. It offers a maximal flexibility for students with specific needs or for students who cannot adapt to the group schedule.

Objectives:

- Objectives are defined by a questionnaire that you will receive before the beginning of the course in order to prepare your private classes
- Acquire the tools necessary for the development of oral and communicational skills most importantly, without neglecting the written skills
- Use of these skills in everyday or professional situations
- To be able to face any type of communication with more ease and insurance
- Improving comprehension of areas such as French political, cultural and social life
