

Option Pathway Photography (PP) 2018

This option allows you to practice French while discovering the cities Aix-en-Provence, Marseille and Avignon through the eye of a professional photographer who will help you through selected areas and help you to take photos of the most beautiful views.

Objectives PP:

- Discovering the cities Aix-en-Provence, Marseille and Avignon
- Sharing impressions and exchanges of the visits and photos
- Acquisition of the appropriate vocabulary

This option is intended exclusively for students taking a FG course or 20 lessons CP/week at least
