

Long French (FL)

This program is designed for students who wish to extend their time learning French over a longer period. The students are adults who want to improve the 4 skills (listening, speaking, reading and writing) for professional or personal reasons. Students are taught in small groups by our qualified teachers, who create a friendly and dynamic learning environment.

Objectives FL:

- Acquire the skills that are necessary to develop communicational skills
- Interact in everyday situations (using these newly acquired skills)
- Obtain fluency and the confidence to communicate in French
- Benefit from a continuous program over 8 weeks
- To improve written skills
