

Executive French (FDA)

This program is made to suit managers, executives and people in charge of various business sectors, who are in direct contact with French speaking interlocutors. The training is organised and personalised, in accordance to the requests and the needs of the students.

FDA objectives:

- Becoming independent in a French professional context
- Improving and developing the oral and written communication
- Strengthening the linguistic tools (vocabulary, grammar) in a professional context
- Acquiring the essential skills of the business world to be able to develop in a company
- Develop the ability to adapt to « cross-cultural » and different French speaking corporate cultures
