Objectives

- We analyse your request after which the program is prepared in detail by your teacher according to your objectives that are set up with the help of the questionnaire.

Program

- Targeted reinforcement of your language skills based on your needs: listening, speaking, reading, and writing.
- Oral teaching and practice using a variety of authentic materials adapted to your French language environment.
- In-depth study of language structures (morphosyntax, vocabulary, phonology).

Teachers

Our teachers all have a degree in teaching French as a Foreign Language (FLE) and receive ongoing training to develop pedagogical techniques. They animate alternately the course and coordinate with each other for a precise follow-up.

Progress, assessment & certificate

Progress is assessed throughout the programme through regular assessments and a final evaluation. Attendance is monitored in every class. On the final day, each student receives a certificate stating the duration and level of the course completed, in accordance with the CEFR.*

Accessibility

We assess the specific needs of people with disabilities in order to implement any appropriate accommodations.
