In-person courses

Objectives

- Develop greater fluency and confidence in everyday spoken French.
- Develop practical and interpersonal skills in intercultural communication situations.
- Improve French language skills to meet specific personal or professional needs.

Program

- Development of key skills: listening and reading comprehension, spoken and written production, as well as interaction and mediation.
- Learning through every day situations with authentic and varied materials.
- Speaking practice: discussions, debates and presentations.
- Group, pair and individual work in class.
- Private lessons tailored to individual goals.

Group placement

Each participant completes an online written assessment before arrival and an oral assessment on the first day.

Teachers

Our teachers all have a degree in teaching French as a Foreign Language (FLE) and receive ongoing training to develop pedagogical techniques. They animate alternately the course and coordinate with each other for a precise follow-up.

Progress, assessment & certificate

Progress is assessed throughout the programme through regular assessments and a final evaluation. Attendance is monitored in every class. On the final day, each student receives a certificate stating the duration and level of the course completed, in accordance with the CEFR.*

Accessibility

We assess the specific needs of people with disabilities in order to implement any appropriate accommodations.
