In-person courses

Objectives

- Discover and become familiar with the structure and format of the DELF B1 or B2 exams.
- Understand the methodology and practice the skills required for B1 or B2 level.
- Train for the listening, speaking, reading, and writing components of the exam.

Program

- Preparation for the four DELF B1 or B2 exam components: listening comprehension, reading comprehension, written production, and oral production.
- Development of strategies and practice of the expected methodology through DELF-style exercises.
- Independent work with additional materials available on request. *(the exam is not included).*

Teachers

Our teachers all have a degree in teaching French as a Foreign Language (FLE) and receive ongoing training to develop pedagogical techniques. They animate alternately the course and coordinate with each other for a precise follow-up. Moreover, they are certified DELF/DALF examiners and have a thorough understanding of the exam requirements.

Progress, assessment & certificate

Progress is assessed throughout the programme through regular assessments and a final evaluation. Attendance is monitored in every class. On the final day, each student receives a certificate stating the duration and level of the course completed, in accordance with the CEFR.*

Accessibility

We assess the specific needs of people with disabilities in order to implement any appropriate accommodations.

Rates

Course fees are available on our website.
Exam fee not included.
